Annual Conference 2025

**Wellbeing in Corrections: Initiatives
for Staff, Systems and Communities**

October 26-31, 2025, Istanbul, Türkiye

REGIONAL SUPPORTER PACKAGE

ABOUT THE CONFERENCE

We are pleased to announce that the ICPA Annual Conference 2025 will be held in Istanbul. We are currently inviting a select number of regional partners to become official sponsors of this prestigious international event.

Each year, the ICPA Conference brings together senior professionals and decision-makers from across the global corrections and justice sector. It provides a valuable platform for visibility, networking, and meaningful engagement with stakeholders from over 80 countries.

Why get involved?

- High-impact brand exposure to both international delegates and Turkish institutions
- Exhibition space at the Conrad Istanbul Bosphorus – a landmark venue in the heart of the city
- An opportunity to showcase innovation across the corrections sector
- Recognition as a Regional Supporter, helping to shape the future of corrections locally and globally.

We have reserved space for three dedicated 'Regional Supporters,' providing your organisation with the opportunity to stand out and be prominently featured throughout the event.
